PROSPECTUS:

THE Company has been formed for the purpose of acquiring and taking over from the present Proprietors the line of Steamers the "Wharf" at Hongkong, and other property, necessary for the said business, which has been hitherto successfully managed by Messrs. DOUGLAS LAPELLE & Co. and which was established by the late Mr. DOUGLAS LAPELLE in the year 1860.

The present Proprietors who are principally Merchants resident in England and China, and who are desirous of realizing a considerable interest in the Company when formed, deem it advisable, with the object of further increasing the present remunerative business, to form a Limited Liability Company, the provisions of the Companies Ordinance in Hongkong provided in that behalf; and thus meet the requirements of a rapidly developing traffic in the China seas and elsewhere. From past working there is every reason to believe that the shareholders will receive a fair return on the investment of their capital.
